**OUR  
THEORY  
OF CHANGE**

# **PICTURE A COMMUNITY THAT IS FREE FROM FAMILY VIOLENCE & WHERE EVERYONE IS SAFE.**

**FVREE believes this is achievable and that our work will contribute to this change.**

**This is the reason that we exist, and our Theory of Change has been developed to guide our work over the next 7 to 10 years and to track our progress towards the change we wish to see.**

**The Theory of Change identifies and links who we will work with and the pathways we will follow to achieve our long-term desired outcomes and vision.**
